Estimados Señores,

Con motivo del tema de público conocimiento concerniente a la INOCULACIÓN PARA EL SARS-COV2 masiva llevada a cabo por este gobierno, queremos apelar al uso de vuestra razón, conciencia, responsabilidad y deber social, ante los rumores sobre una posible aprobación de la obligatoriedad de este experimento mundial.

Tal como venimos manifestando gran parte de la población, no somos antivacunas sino que estamos intentando informar, concientizar, razonar, en pos de la VIDA y la VERDAD.

Tenemos muchos interrogantes pero también certezas.

A modo de resumen, manifestamos lo siguiente:

LA OBLIGATORIEDAD DE LA INOCULACIÓN MASIVA CON O SIN PASE SANITARIO VIOLA:

- 1.- CONSTITUCIÓN NACIONAL ARGENTINA ART 19, 28, 29, 33, 42 Y 75 INC 22
- 2.- CÓDIGO CIVIL Y COMERCIAL DE LA REPUBLICA ARGENTINA ART 51, 52, 56, 58, 59, 1757
- 3.- CÓDIGO PENAL DE LA NACIÓN ART 149 BIS, 248.
- 4.- CÓDIGO PENAL DE LA NACIÓN ART 226 ATENTADO CONTRA EL ORDEN CONSTITUCIONAL Y LA VIDA DEMOCRÁTICA.
- 5.- LEY 25326 protección de datos personales
- 6.- LEY 26529 derechos del paciente
- 7.- LEY 27275 derecho de información publica
- 8.- PACTO DE SAN JOSÉ DE COSTA RICA (1969) ART. 1 INC. 1, 4 Y 5

- 9.- DECLARACIÓN UNIVERSAL DE BIOTÉCNICA Y DERECHOS HUMANOS DE LA UNESCO (2005) ART. 6
- 10.- DECLARACIÓN DE HELSINKI (1964)
- 11.- CÓDIGO Nüremberg (1947)
- 12.- DECLARACIÓN DE GINEBRA
- 13.- PACTO INTERNACIONAL DE DERECHOS CIVILES Y POLÍTICOS
- 14.- PACTO INTERNACIONAL DE DERECHOS SOCIALES Y ECONÓMICO

SE HAN PLANTEADO LOS SIGUIENTES INTERROGANTES???:

1. Si el virus fue “espontáneo” ¿Por qué tiene patente?
2. Si hay una pandemia ¿Por qué la mortalidad no alcanza el 2% a nivel mundial?
3. Si el virus es tan mortal ¿Por qué debo hacerme una prueba para saber si lo tengo?
4. Si una persona sana es quien no produce síntomas ¿Qué es un persona asintomática?
5. Si el virus es tan contagioso y usan los protocolos de radioactividad con los cadáveres ¿Por qué los tapabocas han sido tratados como basura común?
6. ¿Por qué el virus no fue asilado ni secuenciado siguiendo el protocolo de Koch?
7. Si no hay un virus aislado ni secuenciado para su estudio ¿Qué miden las PCR?
8. Si no hay un virus aislado ni secuenciado para su estudio ¿Cómo pudieron fabricar las “vacunas”?
9. Si aún no se cuenta con el SARS-COV-2 aislado ¿Cómo pueden servir los refuerzos de las “vacunas” contra las variantes Alpha, Beta, Gamma, Épsilon, Eta, Iota, Kappa, Mu y Malburg?
10. Si la “vacuna” inmuniza en qué podría incidir un no “vacunado” en la salud de un “vacunado”?
11. Si los “vacunados” siguen siendo transmisores del virus ¿Qué sentido tiene el carnet o pase sanitario?
12. Sería importantísimo considerar los múltiples efectos secundarios adversos graves como por ejemplo: micro trombosis, trombosis, infartos, miocarditis, pericarditis, ACV, aneurisma, presión alta, enfermedades autoinmunes, etc. y aun la muerte, que ya se están viendo en un importante porcentaje de los ciudadanos; a la hora de evaluar costo-beneficio de una inoculación masiva obligatoria.

Quedamos a vuestra disposición para participar del tan necesario y urgente debate público entre profesionales especializados en la materia, el cual estamos convencidos que será enormemente enriquecedor para echar luz y ahondar sobre todas las dudas en relación a la problemática planteada.
Por todo lo expuesto solicitamos la NO OBLIGATORIEDAD de la inoculación masiva y por ende tampoco el PASE SANITARIO.

Se adjunta firmas de ciudadanos que se adhieren a la presente solitud.

Desde ya muchas gracias,

USHUAIA TOLHUIN RÍO GRANDE Provincia de Tierra del Fuego
